IMPORTANT NOTICE: NOT A LEGAL SERVICE

Last Updated: March 9, 2025

Rapid Justice is a document generation platform and is NOT a law firm. We do NOT provide legal advice or legal representation of any kind. Our service should NOT be considered a substitute for consultation with a qualified legal professional.

No Attorney-Client Relationship

No attorney-client relationship is created by using the Rapid Justice platform. The information and documents provided through our service are for informational and educational purposes only.

AI-Generated Content

The documents generated through our platform are created using artificial intelligence technology based on the information you provide. While we strive to ensure the accuracy and relevance of these documents, they are provided "as is" without any guarantees or warranties.

User Responsibility

Users are solely responsible for:

- The accuracy of information they input into the system
- Reviewing and verifying all generated documents before use
- Determining whether the generated documents are appropriate for their specific situation
- Any consequences that may result from using documents generated by our platform

Seek Professional Legal Advice

We strongly recommend consulting with a qualified solicitor for:

- Complex legal matters
- Situations involving significant financial, personal, or business risk
- Review of documents before taking legal action
- Personalised legal advice tailored to your specific circumstances

Regional Limitations

Our service is designed for use in England only. Legal requirements and terminology may differ in other jurisdictions, including Scotland, Wales, and Northern Ireland.

No Success Guarantee

While we provide tools to help you address common disputes, we cannot and do not guarantee any specific outcome or result from using our service.
